Sneakers

Open toe shoes & Crocs are not allowed on the playground because of the wood chips. Please pack extra shoes if your child chooses to wear sandals. The more independent they can put their shoes on, the better!

Take Home Folder

Remember to check your child's red take home folder every night and take out the papers that need to stay at home (in the back pocket). It will help us all to communicate and stay organized. If you have any notes for me please be sure it is in the return to school pocket (in the front). The kiddos are beginning to catch on that this is part of their morning routine to bring the folder from their backpack into the classroom and check for notes or important papers.

Snack

We have snack every day at 10:00 during instructional time. Please keep in mind that your child's healthy snack should be quick and easy. It's helpful if you keep this in a special spot in their backpack (separate from their lunch). If they need any utensils please pack them with the snack. Water is always welcome in the classroom but juice will need to be kept for lunch.
